WATERPROOF FABRIC

Our Stormer Waterproof Jackets offer protection from wind and rain with a technical waterproof fabric and strategically-placed taped seams. Advanced construction includes a TPU membrane between the lining and outer-shell fabric, which repels water, ensures breathability and helps regulate body temperature. The Stormer has a 5000 mm waterproof fabric rating and a breathability rating of 3000 g.

7330 STORMER WATERPROOF JACKET

A bonded jacket that works as hard as you do, the Stormer is made from durable, 100% polyester waterproof fabric that won't easily rip or scratch. Breathable TPU membrane helps regulate body temperature, while strategically-placed taped seams offer fashion blocking, as well as protection from the rain. Hidden hood, mesh lining, Zocket™ dual purpose embroidery pocket. S-3XL
